Match Made Internet

Novel (self-published)
Bahasa Indonesia
R13+
Soft cover A5
243 pages with B&W illustration
Young Adult - Slice of Life (with slight romance)

Dua fans militan lagi kucing-kucingan! Alea si *fangirl* nggak mau akun stellarshines kena *reveal identity*, meanwhile Irham, orang di balik akun sweetiehammie, ngebet banget *meet-up*. *Hype* Sweetcattos IRL bakal seru menurut Irham, apalagi mereka berdua termasuk fans generasi pertama yang aktif menyebarkan propaganda pemuja gadis kucing di akun mereka.

***Little did Irham knows*, dia sudah *meet-up* dengan pemilik akun stellarshines nyaris tiap pekan di kampus dalam persona lain. Karakter Alea terlalu kontras dengan stellarshines yang Irham kenal. Nggak mungkin cowok itu sadar, kan?**

Gadis itu memutuskan untuk pamit, dengan rahasia yang tidak ia ceritakan.
